To whom it may concern,

We wish to confirm that the two articles which referenced Green Memorial Hospital (GMH) and our main sponsor and funder, Friends of Manipay Hospital (UK registered charity), which appeared in Colombo Telegraph in August 2022 are fabrications and completely false.

Friends of Manipay Hospital is a UK registered charity with a long track record of supporting GMH and is monitored by the UK Charity Commission.

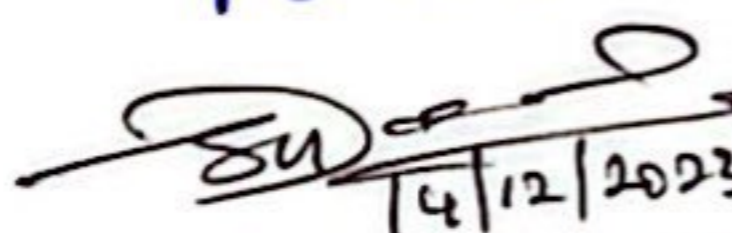

The said articles were written without any checks undertaken either with the charity or at least a site visit of the Hospital.

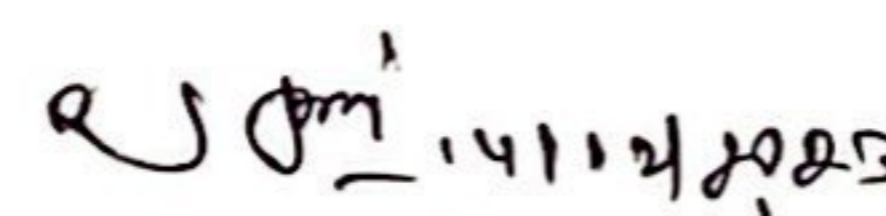

All financial records are available on www.greenmemorialhospital.com. If any further clarification is required please contact the Governing Council Secretary by email (surgerygmh@gmail.com).

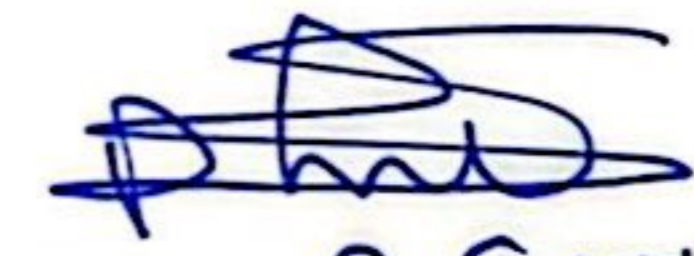

We have requested Colombo Telegraph to delete the two online articles, with immediate effect.

Thank you.
